

## **Institution's Innovation Council (IIC)-ADIT**

The institute has started Institution's Innovation council (IIC) in September-2020 as per the norms of MIC (Ministry of Education (MoE), Innovation Cell, Govt. of India). A network of IIC is established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus. The council is responsible to conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion. Institution's Innovation council focuses in organization of idea competition, periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
